

The President of Biddulph is Liz Nicosia and she had a word from God that the Surestart Aglow group would be a birthing group and alongside that He gave her a word that although a grandmother herself she would literally give birth in her old age to her 7th child which would be the completion of her family.

The first lady of the group to conceive was Sharon and her 6th child was born in August, the next lady in the group to conceive was the President Liz, at 48 years old her 7th child is due any time now, the third and fourth to conceive are Barbara and Lydia who are both due in December (Barbara too is in her 40's). Then a further member of the group who has grown up children of her own and is in her 50's a few years ago took on two young brothers as foster children. They have been with Debbie and her husband (both Christians) for a few years now and the word of the Lord came to her through an Aglow meeting that she would suddenly have a baby to foster. She received a call one morning about a month ago to say that a premature baby of 2 weeks old weighing 3lb would be brought to her home at 2pm that afternoon - she had known it was a possibility but to suddenly have such a little one so quickly was unprecedented. The little baby girl is now 6 weeks old and growing rapidly.

This is a very precious group of women, young and old, saved and unsaved who meet in the Staffordshire Moorlands Children's Centre, Biddulph on the 3rd Wednesday of the month at 10.15am for prayer, testimony, food and friendship. All ladies and children welcome.
