

## **Jesus Reigns**

There is no higher name

There is no other way

No greater love exists

Than Jesus

(Repeat)

***'Cos Jesus You have won the day***

***Death and hell You've defeated***

***Raise a shout***

***Sing aloud***

***Raise a shout***

***Sing aloud***

***That Jesus reigns, Jesus reigns***

You died and rose again

So freedom we would know

That perfect Love exists

In Jesus

(Repeat)

***Heaven and earth proclaim***

***King of Glory***

***All creation will declare***

***You are King, You are King***
