

In Llandudno, North Wales, the newest Chapter, the men meet monthly for a Saturday Breakfast. Every month men are coming with needs in their lives including many homeless men. They are all welcomed for breakfast, and God has touched many lives. In the summer one young man living on the streets received Jesus as his Saviour just two weeks before his tragic and untimely death, just in time God saved him!

Some have been coming down from the cave on the Great Orme to find breakfast and Jesus awaiting them. There have been testimonies of addicted men receiving Christ and after asking for help to overcome their addictions, being taken to a Christian residential rehabilitation centre, by the Llandudno team, for love, care and deliverance.

We are not just impacting the young men, one month a homeless middle aged man, who had had his sleeping bag stolen, was fed and loved and prayed with, and as he wasn't yet ready to leave his chosen life style, was given a new sleeping bag and ground sheet. We are seeking to demonstrate in work and deed, in Llandudno, the Love that Jesus has for us. Matthew 25 v 40 " ...insomuch as you did it to one of the least of these My brethren, you did it to Me".
