

Easter Update 2009

250 women prisoners attended a special Easter meeting in the Odessa Women's prison and 30 came forward to receive Jesus as their Lord and Saviour. 12 prisoners who have become Christians through the Aglow ministry also took part as they sang and shared their stories. One of the ladies has brought 16 women to Christ during her 2 months in the prison. God is changing lives, and through the weekly Aglow meetings, the women are encouraged to grow in their faith.

- **Please pray for the 52 women who meet each week - some of them have serious health problems.**
- **Pray also for 2 ex prisoners, Lyuda and Oksana, who are seriously ill.**

New opportunities have opened for Aglow women in the Zaporozhje Region. They are working in schools and orphanages with a pro-life programme and have been invited by the local authorities in their cities to speak at various meetings.

- **Please pray for more helpers as the work increases.**

A conference for Aglow leaders will be held on 13/14 June 2009 in Krasnoarmeysk, Donetsk Region – "Women of Destiny & Influence".

- **Please pray for Liydia and Helena, the National leaders, as they bring vision and encouragement to the women.**
